Philadelphia Education Fund

MCKINNEY CENTER FOR STEM EDUCATION

PEF: philaedfund.org | McKinney Center: philaedfund.org/stem-education | Philadelphia STEM Ecosystem: philastemeco.org

The Philadelphia Education Fund creates equitable access to opportunities for students by providing resources and expertise that build paths to college and career success.

McKinney Vision

All students will graduate from high school with strong STEM knowledge and skills, enabling them to succeed in a 21st century workforce and society.

McKinney Staff

Dr. Nancy Peter, Director
McKinney Center for STEM Education

Betsy Payne, Manager
Philadelphia STEM Ecosystem

Britney Davis, Manager
STEM Programs

Programs and Services

1 **Resources**

Our STEM Program Directory, Professional Development Directory, and STEM Links allow educators and students to access important STEM resources and opportunities.

2 **Professional Development**

By participating in our professional development workshops, educators master a wide range of STEM subjects and teaching strategies.

3 **Curriculum Development**

By partnering with in-school and out-of-school time staff, we create innovative K-12 STEM curricula that covers diverse topics, reflect academic standards, and engage students.

4 **Career Exploration**

We inspire students' interest in STEM occupations by exposing them to diverse STEM careers and career pathways.

5 **Philadelphia STEM Ecosystem & Philadelphia STEM Equity Collective**

We support a 400-member coalition of public, private, and social sector leaders who work together to expand access and equity in STEM education.

In Memory of Donald McKinney

Donald McKinney was a beloved chemistry teacher, who founded the Philadelphia Education Fund's Math and Science Coalition. In recognition of his commitment to and passion for STEM Education, the Philadelphia Education Fund has organized its STEM Initiatives within the Donald McKinney Center for STEM Education.
